GT 2128 / GC 2128 TRIMMER

Easy To Start

Easy on the Environment

Easy on your Budget

Easy on You

Jonsered GT 2128

Jonsered GC 2128

Both Models Feature...

- ◆ Clean Power™ Engine.
Emissions reduced by 60%, yet delivers more torque, and better fuel economy.
- ◆ Primer Bulb and Choke for Reliable Starting.
- ◆ On/Off switch located on handle for safety and convenience.
Auto return to On Position helps prevent flooding.
- ◆ Spring-assisted starter.
For smoother, easier starting.
- ◆ Translucent Fuel Tank shows Fuel Level.
- ◆ Fuel cap with retainer.
Prevents cap from getting lost
- ◆ Centrifugal clutch helps prevent cutting attachment from spinning on idle and during starting.
